linh mục tu sĩ giáo dân (thuộc)
(ghi tên Giáo phận, Dòng hay Giáo xứ)

I. LISTENING

Please listen this text three times and fill out the answers

Leviticus

The Book of Leviticus contains nothing but priestly1, yet it is not simply a jumble of laws. It has order to it-an order which reveals much about Israel's2 practices. One thing is certain-these are not the3 of the time in the desert, but rather an entire code of conduct for priests and Levites who serve at the 4 in Jerusalem. The sacrifices and offerings demanded for great5 days can only come from a farming people. The very size and types of sacrifices and 6 mentioned presuppose a large population raising many herds and crops in the7 land. However, since sacrifice and atonement rites were practiced even in8 earliest period, the sixth century Priestly editors of Leviticus could include them under the words of9 as the natural and current expression of the 10 commands he had first spoken.

II. GRAMMAR

4. Please indicate what types of words (nouns, determiners, pronouns, verbs, adjectives, adverbs, prepositions, and conjunctions.) on the list below.

This is why celebrating the Most Holy Trinity is not so much a theological exercise, but a revolution in our way of life. God, in whom each Person lives for the other in a continual relationship, in continual rapport, not for himself, provokes us to live with others and for others. Open. Today we can ask ourselves if our life reflects the God we believe in: do I, who profess faith in God the Father and the Son and the Holy Spirit, truly believe that I need others in order to live, I need to give myself to others, I need to serve others? Do I affirm this in words or do I affirm it with my life?
